

MCM 2024 Visual Ensemble

This year we're excited about adding a new section to the ensemble with a visual and movement ensemble! We're looking for 8-10 prospective members

General Expectations:

- Auditions will begin the first Saturday in November, the 4th. Only required to be at Saturday rehearsals for the month of November
- Beginning in December, visual ensemble members will be expected to participate in the full rehearsal weekend schedule
- Typical weekend rehearsal schedule would be staging on Friday night, sectional and smaller ensemble time on Saturday, and full ensemble rehearsal Sunday
- Dance/Color guard background is not required, but may be beneficial for more advanced choreography
- Any aged-in prospective member is encouraged to audition

Our visual ensemble coordinators will be Natasha Hagan and Meagan McPherson, with additional help from Geoff Watkins. You can check out their staff bios here!
